Energise Your Career & Develop Key Skills with Work Experience from EDF

EDF is Britain's biggest generator of zero-carbon electricity, and they've pioneered a number of innovative and groundbreaking projects to get there...*curious to know how you'd fit in?*

To accompany this virtual work experience programme, we have a series of exciting webinars in June 2024. Each session will provide an opportunity to hear from some of our apprentices and graduates in our business about their experience and journey with EDF. It's also your opportunity to ask any questions you may have for the EDF team:

1. [Meet the Renewables Team](#) (11th June - 4.30 PM)
2. [Meet the Nuclear Team](#) (13th June - 4.30 PM)
3. [Meet the Early Careers Team](#) (18th June - 4.30 PM)
4. [Meet the IT, Digital, Data & Tech Team](#) (20th June - 4.30 PM)

Click [here](#) to find out more and apply for the **virtual work experience** programme:
